

OZZ SQR 7" Driving light LED

OZZ SQR 7" is a new-generation square driving light that breaks away from traditional round formats. With a bold square design, fully color-matched components and a curved lens for a refined finish, the SQR series combines striking aesthetics with high performance. In boost mode, the OZZ SQR 9" delivers up to 14,000 lumens and 1 lux at 650 meters, while the balanced driving beam ensures both long-range throw and wide peripheral coverage. OZZ SQR 7" features a powerful E-approved amber warning light, adding a layer of functionality for professional and safety-conscious drivers. The dynamic position light adds visual depth, and the beam pattern provides extra visibility for off-road and utility use.

Art. no.	88114 black/88115 white	Color LED	White, amber
Pcs LED	16	Connection	6-pin DT male + female + 1 cable
Voltage	9-32V DC	Cable lenght (mm)	950 (150+800)
Theoretical effect	160W	Material bracket	Stainless steel
Actual effect	R112: 60W, boost: 110W (12V DC), R112: 60W, boost: 110W (24V DC)	Material housing	Aluminum
Nominal current	R112: 5A, boost: 9,1A (12V DC), R112: 2,5A, boost: 4,6A (24V DC)	Material lens	Polycarbonate
Functions	High beam, Boost mode, Dynamic position light	Lenght (mm)	178
Theoretical lumen	14000	Depth (mm)	85
Actual lumen	R112: 5000, Boost: 8000	Height (mm)	178
1 lux @	R112: 480 m, Boost: 650 m	Height including bracket (mm)	198
Kelvin	5000K	Operating temperature	-40°C - +60°C
IP-class	IP68/IP69K	E-mark approval	ECE R149, R148, R65
Beam pattern	Driving	Reference number	50
Flash light pattern	Double flash	EMC	ECE R10
Position light	Dynamic white and amber	Pcs in master box	6
Color housing	Black/white	EAN	Black 7350166880330 White 7350166880347
RAL color	Black RAL9011/white RAL9003	Warranty	5 years
Color lens	Clear
